2024 Golf Tour to The Mornington Peninsula

Guided by PGA Professionals, 17 to 24 March 2024

Tour features

Dynamic golfing set on the wild great Southern Ocean: the Mornington Peninsula is a thriving hub of traditional courses

An almost all-inclusive golf experience...

... staying centrally at Moonah Links Golf Resort...

... and playing five of the region's best courses...

.. with PGA tuition as we go...

... and dining on some amazing local produce.

Come with us to the vibrant Mornington Peninsula in 2024 and tee off to the tune of the thundering Bass Strait in the region known as 'the Cups' for its proliferation of superb courses, ranging from relaxed nine holes to sensational public courses and exclusive private clubs designed by some of golfing's greatest names.

Our tour in 2024 includes almost everything you will need: internal transfers, all meals on golf days (barring drinks), golf on the Mornington Peninsula's world-acclaimed golf courses, PGA coaching and tour championship prizes.

This year, we'll stay at Moonah Links Golf Resort, central to all courses and home to its own manicured golf courses. That night, we'll hold our welcome dinner, and then on day two, we'll tee off on St Andrews Beach.

We'll follow up St Andrews Beach with the uniquely quirky Cape Schanck Resort course, on day three, situated at the southernmost tip of the Mornington Peninsula.

After our rest day on day four, we'll play The Dunes on day five, a championship links golf course, ranked in the Top 25 in Australia.

On day six, we'll play the Legends Course of Moonah Links Golf Course, the younger sibling to the Open Course Moonah Links.

Finally, we'll hold our championship round on day seven at the Moonah Links Open Course. The Open Course at Moonah Links allows golfers to step into the shoes of the pros for a day and test their drive on the only course designed for the Australian Open.

Dining on local produce will be a focus on this tour: we'll take you to dine in local, authentic eateries and restaurants so you can try the best of what the region produces and prepares.

Don't miss this amazing opportunity to play golf, dine and have fun at the incredible Mornington Peninsula.

Course architect Tom Doak knew he was onto a good thing when he set his eyes on St Andrews Beach. The natural valleys and native trees across the Gunnamatta Course at St Andrews Beach provide protection from the elements that are inflicted on most links-style courses. It is a unique experience with generous fairways, spectacular greens, and the roar of the ocean nearby.

Following our clinic, our first group will tee-off.

The younger sibling to the Open Course, the Legends Course was opened for play in 2003 to rave reviews. The Legends Course is ranked highly in all course reviews and whilst slightly easier than the Open Course, is certainly no pushover. The Legends is blessed with the better piece of land, has more natural trees and bushes through which the holes wander and certainly bunkers that would not look out of place in the sandbelt itself. Perrett has added to the fun by naming each hole after a famous golfer.

Please enjoy a drink in the clubhouse and enjoy free time as your round finishes. We'll then award our round winners.

Please meet us at 7pm at Spike, on-site, for dinner. With its relaxed vibe and plush leather seats, enjoy pub style food and take in the stunning views over the 18th hole.

Step into the shoes of the pros for a day and test your drive on the only course designed for the Australian Open. With exceptional viewing platforms for spectators, is one of the longest courses in Australia, and probably in the world in this category.

It is a mighty and ferocious test of golfing ability. In terms of difficulty, club-handicapped players could merit an extra eight strokes assistance, yet the course has great flexibility. It can be played at many different lengths depending on tees selected.

Please enjoy a drink in the clubhouse and enjoy free time as your round finishes.
